

## **Your National Neighbor Best Service • Best Solutions Handshake**

- 1. Neighborly Service.** Our network of local, family-operated companies will provide you with a level of personal attention you won't find anywhere else.
- 2. Seamless Support.** Your B2B Industrial Packaging sales representative has an inside customer service partner dedicated specifically to you. In the event your salesperson can't be reached, you will always have a second available contact that is familiar with your business.
- 3. We Will Objectively Recommend Only the Best Solutions.** While we sell and service an immense array of products from the world's top industrial packaging and fastener providers; like a trusted neighbor, we will always offer the solution that is in your best interest.
- 4. We Consistently Recommend Money-Saving Alternatives.** Your experienced neighborhood sales professional will take the time to thoroughly assess your situation before offering the most cost-effective products and solutions.
- 5. We Guarantee Prompt Delivery.** With multiple distribution points across the U.S., we are positioned for the fastest delivery in the industry.
- 6. We Have Your Best Interest at Heart.** We will go the extra mile to ensure your satisfaction; this includes a fair money back guarantee.

*We will work hard to earn your trust and will never forget that your business and referrals are the core of our business.*
